Accessibility Statement

This statement was drafted on August 4, 2025 for the website columbiasportswear.---.

It is valid as of its publication and will be updated shortly following a digital accessibility audit.

Columbia's Commitment

Columbia is committed to making its websites, mobile applications, intranet, extranet, and business software accessible in accordance with European Directive (EU) 2019/882 on the accessibility requirements for products and services.

We value inclusion and diversity, and we are committed to ensuring that our website – columbiasportswear.--- is accessible to everyone, especially people with disabilities.

As part of our digital accessibility efforts, we are working in collaboration with Accessiway.

We are firmly dedicated to building a web for all. As part of a long-term and responsible vision, we aim to fully comply with regulatory requirements, including Web Content Accessibility Guidelines version 2.1 level AA standard and also the European standard EN 301 549.

Compliance Status

An accessibility audit is currently in progress. Therefore, by default, the mobile application is considered non-compliant with regulatory requirements.

As such, no non-compliance issues or exemptions are listed below.

Test Results

Audit in progress.
